

Lysefjord in a nutshell

You will experience the unique and magnificent scenery of Western Norway at its best with fjords, mountains, waterfalls and idyllic islands!

The trip starts by bus and includes beautiful landscape during the bus journey and breathtaking views of the Lysefjord from the Eagle's Nest at an altitude of 1.000 metres. On the fjordcruise you get scenic experiences as beautiful waterfalls, mountain farms and steep mountains. The Pulpit Rock (Preikestolen) is towering 604 metres above the fjord as a natural highlight. The tour starts and ends in Stavanger.
