

Jostedal Glacier

The largest glacier on European mainland and is protected as a National Park. Nigardsbreen Glacier is one of the most spectacular and easiest accessible of the glacier arms.

Breheimsenter Glacier Centre

National Park Visitor`s centre for the Jostedalsbreen National Park. Breheimsenteret offers exhibitions and a cafeteria with fantastic view to the Nigardsbreen Glacier. Children's Climbing Room, within the cafeteria. Souvenirshop and tourist information for the Sognefjord region.

You can sit inside or outside, both places with perfect glacier view and to unspoiled nature. Free wireless internet connection. The centre is the starting/meeting point for the glacier walk.

Practical information for the Glacier trip

When you arrive at the Breheimsenter Glacier Centre, you will see the sign for to meet the guide for the glacier walk.

Please be there 30 min before the glacier trip starts.

Warm, wind and watherproof clothing, sunglasses, lunch and solid shoes. The clothing must cover the whole body (no shorts or skirts without leggings).

On the glacier trip you will experience the blue ice world and learn about the exciting nature of the Jostedalsglacier. The trip is long enough to seek out some of the most impressive areas of the blue ice. You will learn how to use crampons and ice axe, visit ice caves, impressive ice towers and deep blue crevasses.

This glacier hike is not difficult or physically demanding although the route passes through some more challenging and some steep parts of the glacier.
